

## West Virginia School Health Technical Assistance Center

Please join us Wednesday, February 21, 2018

from 2:30-3:30 p.m.

for a free webinar on

### **BULLYING, SOCIAL MEDIA, and ITS IMPACT ON TEENS**

This webinar will discuss how bullying and social media impact our youth. This presentation focuses on the use of social media in youth populations and risks and impact of bullying behaviors on youth populations, how to detect when youth are being bullied and how to access help for those who are victims of bullying on social media.

This training is offered only via WebEx (no conference call lines will be available). **The Webinar is FREE but you must register in advance.** We are limited to 100 WebEx participants, so please **register early** and plan for group access when able. *This webinar will be recorded and posted with CEU's for future listening for those unable to attend the live offering.*

**Registration Link, CEU Information and Presenter Bio  
are available on our webpage:**
