

West Virginia School Health Technical Assistance Center

Please join us Tuesday, October 23, 2018

from 2:30-3:30 p.m.

for a free webinar on

You Want It? You Got It....IEP Access and Be Part of the IEP Team

The webinar will provide participants with an overview of how to access and read student Individual Education Program (IEPs) through WVEIS on the Web. It will also provide those who do not have access on WOW, an understanding of the IEP process to support students. The webinar will also discuss how school nurses and SBHC medical providers can be part of the IEP meetings to support students under their care.

This training is offered only via WebEx (no conference call lines will be available). **The Webinar is FREE but you must register in advance.** We are limited to 100 WebEx participants, so please **register early** and plan for group access when able. *This webinar will be recorded and posted with CEU's for future listening for those unable to attend the live offering.*

**Registration Link, CEU Information and Presenter Bio
are available on our webpage:**

Learning Objectives

- 1) Participants will become aware of how nurses access student IEP's in WVEIS on the web.
- 2) Participants will become aware of the role of County contracts and setting up access to the WOW app.
- 3) Participants will have a generalized understanding of the IEP process and how to actively participate.

Miscellaneous Information:

CEUs pending through Marshall University - West Virginia Board of Examiners for Registered Nurses provider number (WV2018-0640RN).

This event is coordinated by the West Virginia Department of Education Office of Special Education along with the West Virginia School Health Technical Assistance Center at the Joan C. Edwards School of Medicine, Marshall University.

For questions contact:

Lori Haapala – haapala@marshall.edu or Rebecca King – rjking@k12.wv.us

Bio:
Michael Knighton is in his fourth year as a coordinator and IEP Specialist at WVDE/OSE. Mr. Knighton works with educators across the state to improve the on-line IEP to better serve the needs of our special education students, teachers, and staff.

Mr. Knighton holds a NBA in Elementary Education and a Masters in Deaf Education. He was previously employed for 33 years by Kanawha County Schools where he held various positions in the field of special education.
